Dear Parents/Carers

As I am sure you are all aware Spectrum has been experiencing serious difficulties in recent months. In December a new Management Committee was formed made up of parents. The committee comprises: Derek McDonough (Chair), Jane Baston (Secretary) and Sinead McLaughlin (Treasurer) Sue Ashton, Andy Whitelaw and Pamela Craig. The committee's first priority is to continue to address the difficult financial position of Spectrum. The committee has managed to generate significant sums of money over the last 12 months and will attempt to continue this work but there are some things that you can do to support the club in its fundraising.

Here are some things that could be done.

- Suggest to friends that Spectrum is a worthwhile cause for their fundraising activities to support.
- Become involved in sponsored events such as the cyclathon.
- Ask for donations to charity rather than receiving gifts at a party.
- Gift aiding you fees to the club is another simple way of increasing income to the club.

I am not asking you to do something that I have not done myself and all of these ideas have been successful!

Regarding the provision of Spectrum over the Easter holidays, we will be able to offer some provision in the second week (Mon 13th April– Fri 17th April) in the afternoon. Exact details of timings have still to be confirmed but the club will start around midday. Please fill in the slip below to indicate the days you would like your child to attend Spectrum and return to the club or myself by e-mail. The cost will be around £10 per session waged and £8 unwaged.
